Advances in Aging Research Lecture Series

CME Credit Provided by the University of Arizona College of Medicine – Tucson

Jennifer Bea, PhD
Assistant Professor of Medicine &
Assistant Research Scientist of Nutritional Sciences

“The Consequences of Obesity from Girlhood to End of Life”

Noon-1 p.m., Monday, Feb. 12, 2018
Cancer Center 4978
University of Arizona
1515 N. Campbell Ave.

Objectives:

1. Identify cardiometabolic risks of obesity from pre-adolescent girls to young women.
2. Understand the nuances of the relationship between body composition and mortality among post-menopausal women.

Accreditation Statement:

The University of Arizona College of Medicine - Tucson is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Arizona College of Medicine - Tucson designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement(s):

All faculty, CME planning committee members, and the CME office reviewers have disclosed that they have no financial relationships with commercial interests that would constitute a conflict of interest concerning this CME activity.
