GIFT CENTER

GRANTS FOR LUNCH

The Heising-Simons Foundation

Funding Basic Science Research

*Featuring Cyndi Atherton, Ph.D., Director of
Science, Heising-Simons Foundation*

When: Thursday, May 9th, 2019
2:00pm- 3:00pm

Where: Vine Avenue Annex - Room 102
1125 N. Vine (SW corner of Helen & Vine)

The Science Program at the Heising-Simons Foundation funds research in four main areas:

- ▶ Women in Physics & Astronomy
- ▶ Fundamental Physics
- ▶ Climate Change Science
- ▶ Astronomy & Cosmology

In 2018 the Heising-Simons Science program granted 71 awards totaling \$22.5 million.

**Come learn more in this unique opportunity to hear from
an experienced program director, researcher, and funder!**

SPEAKER

Cyndi has been with the Heising-Simons Foundation since 2013. At the Heising-Simons Foundation she oversees discovery-driven projects primarily in the physical sciences and climate change science. Cyndi earned her Ph.D. in atmospheric science from the University of California, Davis, her master's degree in chemical engineering from MIT and a bachelor's degree from Caltech.

**Kindly RSVP online by
Monday, May 6 at the link
provided [HERE](#) or email
giftcenter@uafoundation.org**

Seating is limited. Snacks and beverages will be provided for this informal and free event for UA faculty and staff. The nearest available parking is at the Highland Parking Garage and plenty of Zone 1 parking nearby.
